

# Call for Papers

## Advanced Experimental Mechanics

### Vol.11, 2026

We cordially invite you to submit your recent work to Advanced Experimental Mechanics (AEM), which is an official English journal published by the Japanese Society for Experimental Mechanics (JSEM) that publishes papers annually (or every August) in all areas of experimentation including its theoretical and computational analysis.

All papers are published freely on-line (<https://www.jstage.jst.go.jp/browse/aem/>) through the J-STAGE (online platform for Japanese academic journals) developed and managed by The Japan Science and Technology Agency (JST). Furthermore, the accepted papers after peer reviews are early released on the J-STAGE sequentially before the formal publication of AEM.

#### Key Dates

Full-length manuscript due for publication in Vol. 11: **January 10, 2026**

Manuscript submissions are accepted year-round and will go review processes immediately upon receipt. Please see "Note 3 and Note 4".

Formal publication date of Vol. 11: August, 2026

Submission fees:

Price list for submission fee (article processing charge)
